

**LOGAN
ZERO** 

LOGAN ADVANCE TO ZERO PROJECT

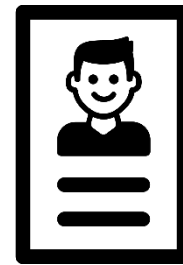

We want to end homelessness in Logan.

To do this we need a list of people who need housing and support.

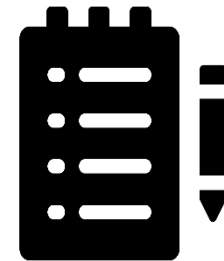

Can we have your consent to put your name on the list?

It's called the By Name List

Your Name

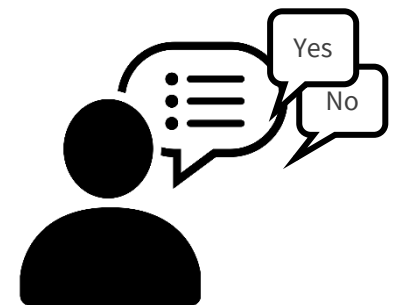

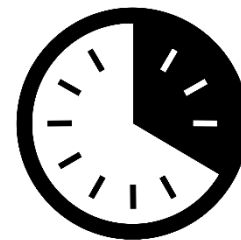

By Name List

We would like to ask you some questions so we can understand your housing and support needs.

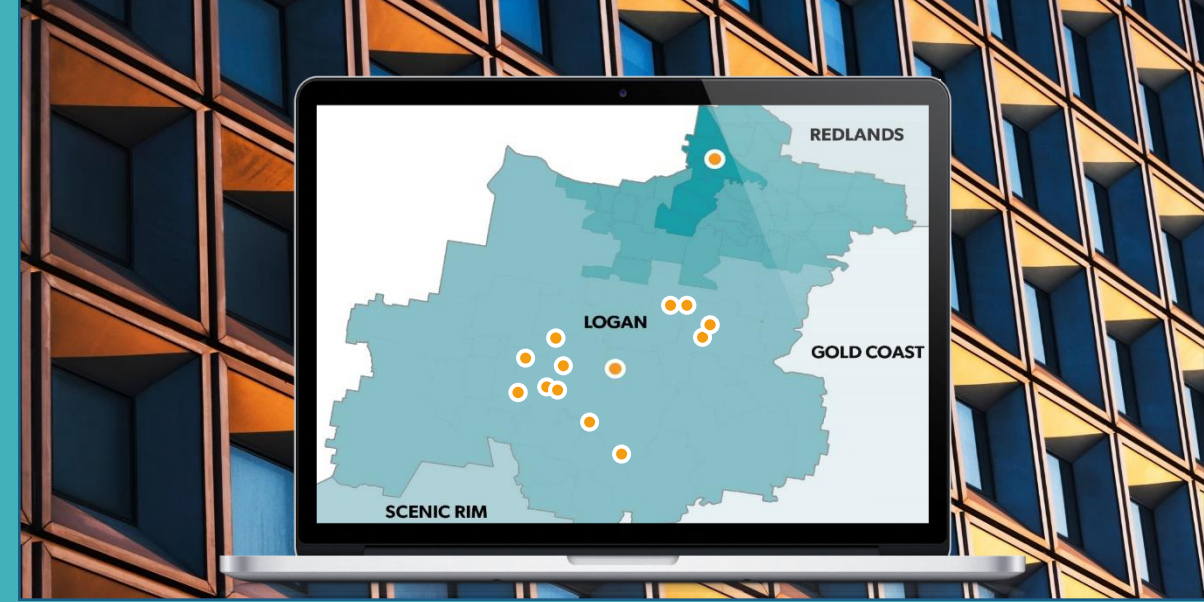

The questions will take about 15 to 20 minutes.

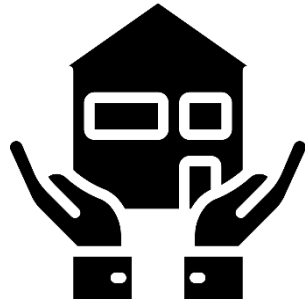

We just need 1 or 2 word answers like Yes, No, Don't Know, Unsure

The information will be added to the campaign database so it can be used to:

Create a map of local people who are homeless

Prioritise housing and support services

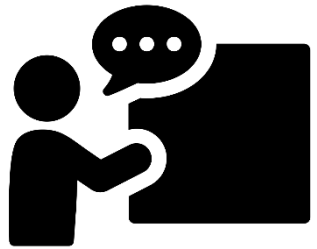

Track your progress to get housing

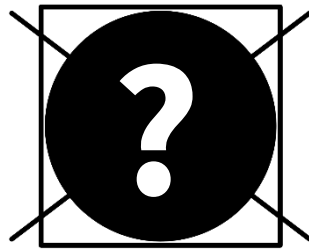

Ask for more funding

Can I have your permission to ask these questions and share your answers with our partners?

Ask me to explain if you do not understand a question

You can skip a question if you do not want to answer it

It is important that you answer honestly

Do you
want to ask
me any
questions?

WHAT
DO YOU
MEAN
?

Thank you
